Overview

Makes the special education cooperative, education district or joint powers entity with which a privately owned and operated residential facility contracts, and not the district in which the facility is located, the district responsible for providing an appropriate education and necessary transportation to a child with a disability who is temporarily placed in a residential program for care and treatment.

1. **Placement in another district; responsibility.** (c) Makes the nonresident district responsible for providing an appropriate education and necessary transportation to a child with a disability who is temporarily placed in a residential program for care and treatment, except as described in paragraph (d).

(d) Allows a privately owned and operated residential facility to enter into a contract with a special education cooperative, education district or joint powers entity for appropriate educational programs and services for children with disabilities. Makes the entity with which the private facility contracts, and not the district in which the facility is located, the district responsible for providing the disabled student placed in the facility with an appropriate education.
