Overview

This bill appropriates money and authorizes levy to provide for youth programs in community education.

Section

1 Youth programs in community education.

Subd. 1. Youth programs in community education revenue. Allows districts operating a community education program to establish youth programs to maintain and expand participation by school-age youth in supervised activities during non-school hours. Requires youth programs established with community education revenue to support the development of social, mental, physical, and creative abilities of school-age youth. Establishes a formula for a district's youth programs in community education revenue based on the population of the district.

Subd. 2. Youth programs in community education levy. Allows districts to levy to obtain youth programs in community education revenue. Limits the levy amount to the lesser of .003 times the adjusted net tax capacity of the district or the amount of the district's youth programs in community education revenue. Requires that if the district does not levy the entire amount permitted, the youth programs in community education aid must be reduced in proportion to the actual amount levied.

Subd. 3. Youth programs in community education aid. Requires that a district's youth programs in community education aid be equal to the difference between the district's youth programs in community education revenue minus the actual amount levied under subdivision 2.

2 Appropriation. Appropriates $10,000,000 in fiscal year 2001 from the general fund to the commissioner of children, families, and learning for youth programs in community education aid.
