Overview

Requires reporting on a variety of topics relating to state governmental revolving funds and internal service funds.

1. **Internal service funds.** Requires detailed budget estimates for state internal service funds to include: number of full-time equivalent employees, by program; detail on any loans from the general fund; proposed investments in technology or equipment of $100,000 or more; explanation of operating losses or increases in retained earnings; history of rates, with explanation of changes.

2. **Transfers.** Requires the commissioner of finance to report to applicable committee chairs the amount and purpose of transfers from the general fund to a revolving fund.

3. **Transfers.** Requires the commissioner of administration to report to applicable committee chairs the amount and purpose of transfers among internal service or enterprise funds in the department of administration.

4. **Rates.** Requires the commissioner of administration to report to applicable committee chairs by July 1 each year on rates to be charged for each revolving fund.

5. **Interfund loans.** Requires the commissioner of administration to report to applicable committee chairs the amount and purpose of loans among internal service or enterprise funds in the department of administration.
