Background

Minnesota Statutes, section 276.02, provides in relevant part:

"The county board may, by resolution, authorize the treasurer and/or other designees to accept payments of real property taxes by credit card provided that a fee is charged for its use. The fee charged must be commensurate with the costs assessed by the card issuer. If a credit card transaction under this section is subsequently voided or otherwise reversed, the lien of real property taxes under section 272.31 is revived and attaches in the manner and time provided in that section as though the credit card transaction had never occurred, and the voided or reversed credit card transaction shall not impair the right of a lienholder under section 272.31 to enforce the lien in its favor."

The law enacted for Hennepin County in 2000, Minnesota Statutes, section 383B.116, subs. 2 and 6, and sections 383B.1161 and 383.1162, provides:

Where the county is authorized by law to make investments, the county may make electronic or wire transfers of funds notwithstanding any other law to the contrary.

Subd. 6. May take credit, debit card or funds transfer. The county may accept payment by use of a credit card, debit card, or all forms of electronic or wire funds transfer. Subject to any other law to the contrary, the county may add to the amount due a service charge for the acceptance of a payment method authorized in this subdivision. The county shall adopt policies and procedures regarding the payments.

383B.1161 ELECTRONIC APPROVALS.

"Electronic approval" means any electronic identifier intended by the person making, executing, or adopting it to authenticate and validate a county administrative action. Notwithstanding any other general or special law to the contrary, the county may use electronic approvals. The electronic approval has the same validity and consequences as the actual signing by the person. The county shall establish policies and procedures to ensure the validity of electronic approvals.

383B.1162 CREDIT CARDS.

The county may allow officials, officers, and employees of the county to incur charges for county purposes by use of county credit cards. The county shall adopt policies and procedures regarding such credit card usage to establish individual accountability."
