---

### Overview

This bill appropriates \$5 million for adolescent parenting grants for the fiscal biennium ending on June 30, 2003. The Adolescent Parenting Program ensures the long-term self-sufficiency of adolescent families and the development and school readiness of their children through school-based, community-linked programs. Grants are awarded on a competitive basis to programs designed to prevent teen pregnancy, keep teen parents in school, and connect them to community support.

### Section

- 1 **Appropriation.** Appropriates \$5 million from the general fund for adolescent parenting grants for the fiscal biennium ending on June 30, 2003.
