### Overview

This bill requires the commissioner of health to obtain legislative approval prior to publication in the State Register of notice of adoption of proposed rules relating to the collection of health care administrative billing data. This publication would be the final procedural step necessary to finalize the proposed rules.

#### Section

- 1 Approval of rules required.** Requires the commissioner of health to obtain legislative approval prior to finalizing adoption of proposed rules relating to collection of administrative billing data.
- 2 Effective date.** Makes section 1 effective the day following final enactment.
