Bill Summary

FILE NUMBER: H.F. 2591
Version: First engrossment

DATE: March 29, 2016

Authors: Green

Subject: Approval of State Land Acquisitions

Analyst: Janelle Taylor

This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd/.

This bill would require executive branch state agencies (ex. Department of Natural Resources (DNR), Department of Transportation, etc.) to get legislative approval and county approval prior to acquiring land.

Under existing law, the DNR is required to get county approval under certain circumstances (acquisition of land for wildlife management areas (WMAs) and scientific and natural areas (SNAs), and when acquiring land as part of the Reinvest in Minnesota (RIM) critical habitat match program).
