Overview

This bill strikes obsolete language relating to initial terms of the Dakota County Community Development Agency, provides for a public housing resident to serve as an eighth, at-large member of the agency to meet federal law requirements, and repeals a provision that makes the agency eligible for Minnesota investment fund grants and loans.

Section

- 1** **Membership, terms, conditions.** Strikes obsolete language. Provides for an eighth, at-large member, if needed to meet the federal law requiring a tenant member. Provides for the at-large member to serve a three-year term and specifies that the at-large member may only take part in decisions relating to the administration, operation, and management of federal public housing programs and Section 8 tenant-based rental assistance programs.
- 2** **Initial term of Dakota County Community Development Agency at-large member.** Allows the initial term to begin before the first Monday in January 2017, upon appointment and qualification, and provides that it ends the first Monday in January 2020.
- 3** **Repealer.** Repeals Minnesota Statutes, § 383D.412, which declares that the agency is a “general purpose local government” for the purposes of receiving money from the Minnesota investment fund.
- 4** **Effective date.** Effective upon local approval.
