Section

- 1 Reimbursement for public health nurse family home visits.** Adds § 256B.7625. Effective July 1, 2017, sets a minimum payment rate of \$140 per unit for managed care and fee-for-service public health nurse home visits administered as part of a family home visiting program. Requires home visits to be targeted to mothers and their children, from prenatal visits through age three. Requires the commissioner to adjust managed care and county-based purchasing capitation rates to reflect the rates under this section. States that the section is effective upon federal approval and requires the commissioner to notify the revisor when approval is obtained.
