### Overview

This bill provides that a single site fee of \$275 (instead of \$275 per boring) applies to all exploratory borings marked on a borings map and submitted to the commissioner of health.

#### Section

- 1 Environmental well.** Amends 103I.005, subd. 8a. In the definition of environmental well, clarifies that an exploratory boring is not an environmental well.
- 2 Notification and map of borings.** Amends § 103I.601, subd. 4. Provides that one site fee of \$275 must be submitted for all exploratory borings marked on the proposed boring map submitted to the commissioner of health, not \$275 per exploratory boring. Also requires maps of proposed borings to be submitted on an 8-1/2 x 11-inch sheet of paper.
