

Subject Coverage of insulin, equipment, and supplies

Authors Masin and others

Analyst Larie Ann Pampuch

Date March 12, 2019

Overview

This bill requires health carriers to disclose coverage of brands of insulin, equipment, and supplies and prohibits them from removing coverage of a brand of insulin, equipment, and supplies during an enrollee's contract year.

Summary

Section	Description
1	<p>Coverage change.</p> <p>(a) Requires health carriers to disclose to enrollees or prospective enrollees the brands of insulin, equipment, and supplies covered, upon request of the enrollee.</p> <p>(b) Prohibits health carriers from removing coverage for a brand of insulin, equipment, and supplies during an enrollee's contract year. This does not apply if the brand is unsafe or has been withdrawn from the market by the manufacturer.</p> <p>(c) Defines "enrollee's contract year" as the 12-month term that benefits are provided for under a health plan.</p>
