

Subject Standardized Assessment Task Force

Authors Edelson and others

Analyst Ben Weeks

Date March 3, 2020

Summary

Creates a Standardized Assessment Task Force to recommend to the legislature changes to Minnesota's standardized testing system. The task force would consist of 14 members appointed by the commissioner of education, as detailed in subdivision 3. The task force would review and consider a number of issues related to statewide standardized testing and prepare a report to the legislature recommending changes to the system by January 15, 2021. The task force expires thereafter.
