

Subject Emerging entrepreneur program housekeeping

Authors Hassan

Analyst Anna Scholin

Date February 27, 2020

Summary

Makes two minor changes to the emerging entrepreneur program's required reports:

- 1) clarifies that the department's annual report to the legislature should cover loans made in the previous calendar year; and
- 2) gives nonprofit corporations that receive program grants until April 15, rather than February 15, to submit their annual reports to the department.
