Overview

This bill transfers a blank amount from the general fund for deposit in the public health response contingency account. Money in this account is appropriated to the commissioner of health for public health response activities required to protect the health and safety of the public due to pandemic influenza or an outbreak of a communicable or infectious disease. Allowable uses of money in the account and conditions the commissioner must satisfy to make expenditures from the account are specified in Minnesota Statutes, section 144.4199.
