Article 2: Policy

This article provides for reimbursement to the Department of Corrections by counties who receive probation services from the DOC; establishes grants to reduce violent crime and develop a framework to respond to gun violence; provides for the storage of sexual assault examination kits, including the development of a sexual assault examination consent form and web database; requires a background check on contractors with access to the results of a federal criminal history records check; directs county aid to be transferred directly to the Board of Public Defense for approved expenses; and permits the state public defender to approve appointment of counsel other than the district public defender in certain cases.

Section	Description – Article 2: Policy
---------	---------------------------------

1	Compensation.
---	----------------------

	Amends the provision relating to compensation by counties to the Department of Corrections for probation supervision provided by the DOC. Provides that amounts equivalent to the reimbursement from counties for new or increased probation services are appropriated from the general fund to the commissioner of corrections and requires the commissioner of corrections to report those amounts to the commissioner of management and budget.
--	--

2	Community-based violent crime prevention grants.
---	---

	Permits the commissioner of public safety to issue grants to local units of government that focus on strategies designed to impact and address violent crime. Eligible recipients must serve areas that are underserved or have high rates of violent crime and must demonstrate experience or capacity to implement strategies that will reduce violent crime. Strategies may include prevention, intervention, and enforcement to reduce the impact and prevalence of violence in communities.
--	--

3	Gun violence prevention framework grant.
---	---

	Permits the commissioner of public safety to issue grants to develop a metropolitan area model for a gun violence response network. Eligible recipients must involve collaborations between a public health department from a city of the first class, a joint county and city public health agency, and a community-based social services agency. Proposals must address responses to gun violence, plan for gathering and disseminating information, and develop training curricula. Collaborators may contract with outside organizations and must report to the committees with jurisdiction over criminal justice funding and policy.
--	--

4	Submission and storage of sexual assault examination kits.
---	---

	(a) Requires each unrestricted sexual assault examination kit to be tested and requires the kit to be retained indefinitely after being tested by the law enforcement agency investigating the case.
--	---

Section Description – Article 2: Policy

- (b) Requires restricted sexual assault examination kits to be submitted to the BCA within 60 days and for the BCA to store the kits for at least 30 months. **[See, H.F. 2983]**
- 5 **Uniform consent form.**
Directs the BCA to develop and distribute a uniform sexual assault examination kit consent form for victims of sexual violence. **[See, H.F. 2983]**
- 6 **Web database requirement.**
Requires the BCA to create a searchable web database where victims may determine the status of their sexual assault examination kits. **[See, H.F. 2983]**
- 7 **Authorized use; fee.**
Modifies the requirements for certain noncriminal justice agencies to have access to the state’s Criminal Justice Communications Network. Under this proposal, before a contractor who works for a noncriminal justice agency that does not have a secure network connection may access federal criminal history records transferred to the agency via the state’s criminal justice communications network, the contractor must pass a background check as prescribed in paragraph (h) of the amended statute.
- 8 **Counties.**
Amends the process for payment of services provided by the Board of Public Defense under section 611.27. Under current law, the commissioner of revenue retains money to make reimbursements to the commissioner of management and budget for payments MMB makes to the Board of Public Defense. The bill provides for money to be directly appropriated to the Board of Public Defense and requires the Board to certify any amounts that are not expended or encumbered in a fiscal year.
- 9 **Request for other appointment of counsel.**
Permits a chief public defender to request that the state public defender authorize appointment of counsel other than the district public defender in some cases. Under current law, the state public defender must request that a district court judge appoint counsel.
- 10 **Addition of permanent staff.**
Makes a conforming change providing that a chief public defender may not request, and the state public defender may not approve, the addition of permanent staff.
- 11 **Appointment of counsel.**
Permits the state public defender to determine that the district public defender cannot provide adequate services to a defendant and then approve appointment of

other counsel. Current law requires the court to order the appointment of outside counsel.

12 Correctional facility inmates.

Makes conforming changes related to sections 8 and 11, referencing counsel approved by the state public defender instead of counsel appointed by the court and money transferred by the commissioner of revenue instead of retained by the commissioner.

13 Costs of transcripts.

Makes a conforming change related to section 8, permitting the Board of Public Defense to pay for transcripts from county aid transferred by the commissioner of revenue.
