

**Subject** Appropriation for Bridges to Healthcare

**Authors** Sauke and Liebling

**Analyst** Anna Scholin

**Date** February 4, 2019

## **Overview**

This bill appropriates \$350,000 in each year from the workforce development fund for grants to Bridges to Healthcare to provide hard-to-train individuals with career education, wraparound support services, and job skills training in health care fields. Bridges to Healthcare previously received \$250,000 each year for these services under the 2017 Jobs Omnibus law.
