Overview

This bill expands the Metro Mobility service to include Lakeville.

Currently, the coverage area for Metro Mobility reflects the geographic area of the transit taxing district as it existed March 1, 2006. The transit taxing district is a geographic subset of the seven-county metropolitan area that is statutorily identified, with additions to the district permitted based on agreement with the local unit of government. Minn. Stat. §§ 473.446, 473.4461.
