

Subject Small brewer – prohibition on growler sales

Authors Wolgamott and others

Analyst Chris Kleman

Date March 9, 2020

Summary

H.F. 3758 increases the production limit that determines whether a municipality may issue a small brewer an off-sale license for growler sales. The current limit is 20,000 barrels per year; H.F. 3758 would increase the production cap to 40,000 barrels.
