

**Subject** Workers' compensation insurance ratemaking

**Authors** O'Driscoll

**Analyst** Marta James

**Date** March 18, 2021

## Summary

This bill makes technical changes to workers' compensation insurance ratemaking. Modifies the elements that must be included in the periodic ratemaking report submitted by data service organizations to the commissioner of commerce. Requires the commissioner of commerce to make consistent amendments to Minnesota Rules, and authorizes expedited rulemaking by the commissioner.
