Overview

The Minnesota Youth Council Committee provides advice and recommendations to the legislature and the governor on issues affecting youth and serves as a liaison for youth around the state to the legislature and the governor. The Council is statutorily established consisting of four members from each of Minnesota's eight Congressional districts and four at-large members. The program is placed under the auspices of the Minnesota Alliance with Youth, a nonprofit organization, and the members of the Council are chosen through a process conducted by the Minnesota Alliance with Youth.

H.F. 1314 changes the Minnesota Youth Council Committee members' eligibility from one stated in age (between the age of 13 to 19) to eligibility stated as grades (students in grades 8 through 12), statutorily allows the Council's activities to be funded through appropriations to the Minnesota Alliance with Youth, and appropriates \$375,000 each year for fiscal years 2022 and 2023 for the activities of the Council.
