

Subject Headwaters community food and water economic resiliency program

Authors Her and others

Analyst Anna Scholin

Date March 23, 2022

Summary

Establishes the headwaters community food and water economic resiliency program for the commissioner of employment and economic development to provide financial, technical, educational, legal, and health care assistance to food producers and other food-related businesses or initiatives. Creates a permanent advisory committee composed of food-related stakeholders to advise the commissioner on the program. Appropriates unspecified amounts in fiscal years 2022 and 2023 from the general fund for the headwaters community food and water economic resiliency program.
