## Overview

This bill requires chief law enforcement officers to share, in real time, certain private peace officer data with the POST Board and requires the Sentencing Guidelines Commission to collect probation data.

## Summary

Section	Description
1	<b>Peace officer database.</b> Adds a cross-reference to the data practices act to address the proposed sharing of private data in section 4.
2	<b>Clearinghouse and information center.</b> Requires the Sentencing Guidelines Commission to collect certain data on probation practices in the state.
3	<b>Peace officer data.</b> Contains conforming changes to reflect the sharing of private peace officer data under section 4.
4	<b>Report on alleged misconduct; database; report.</b> Requires chief law enforcement officers to share, in real time, certain private peace officer data with the POST Board in order for the board to evaluate the effectiveness of required training, to assist the Ensuring Police Excellence and Improving Community Relations Advisory Council in fulfilling the council's duties, and to enable the board and advisory council to identify patterns of behavior that suggest an officer is in crisis or is likely to violate a board mandated model policy.
