Summary

This bill appropriates \$3 million from the general fund in fiscal year 2022 to the Minnesota Housing Finance Agency for a grant to One Roof Community Housing, a nonprofit, to build two 12-unit buildings with dormitory-style apartments to house individuals experiencing homelessness. The appropriation is available until December 31, 2022.

By January 15, 2023, One Roof Community Housing must submit a report to the legislature on the results of using dormitory-style apartments to house individuals experiencing homelessness.
