Run: Decaidcuts

## **Governor's December 2008 City Aid and Credit Cuts and Payments**

The attached run shows the aid and market value credit cuts to each city under the governor's unallotment plan, along with the remaining amounts that each city will be paid on December 26<sup>th</sup>.

Cities with a 2007 population estimate of less than 1,000 will receive no cut to their 2008 December aid and credit payments.

For cities with a population of 1,000 or more, the aid and credit cut is equal to the 4.08% of the city's 2008 levy plus aid base, but cannot exceed the total remaining LGA and market value credit payments for that city. 2008 levy plus aid base is defined as the city's 2008 total property tax levy plus its 2008 LGA amount and 2008 taconite aids. This is consistent with how cuts in aid have been made in the past during other state budget shortfalls.

- **Column 1:** 2007 city population
- **Column 2:** 2008 levy plus aid base
- **Column 3:** Total LGA and market value credit cuts under the governor's proposal
- **Column 4:** Remaining 2008 LGA, after the cut, to be paid December 26th
- **Column 5:** Remaining 2008 market value credits, after the cut to be paid December 26th
