Run: Deccityaids

## Cy 2008 Major December City Aid Payments

The attached run shows the remaining city LGA and market value credit payments to cities scheduled to be paid on December 26<sup>th</sup>. The total for all cities on this printout is slightly lower than the total “unencumbered” LGA amount shown in other sources because it does not include any unpaid July. July payments may have been withheld to some cities if they have not filed required reports with the state auditor.

The run also shows the 2008 levy plus aid base for each city. The levy plus aid base is equal to the city’s total Pay2008 levy plus LGA plus taconite aid payments. These revenues account for about one-half to two-thirds of most cities total budget. In the past, aid payments have often been cut based on a percentage of a city’s levy-aid base. The ratio of the remaining aid and credit payments to the levy-aid base also provides a sense of the relative importance of the remaining state aid payments to various cities’ total budgets.

- **Column 1:** December 2008 LGA payment
- **Column 2:** December 2008 total market value( MV) credits to cities
- **Column 3:** Total LGA and MV credit payment in December
- **Column 4:** Pay 2008 levy plus aid base ( 2008 total levy, LGA, and taconite aid)
- **Column 5:** December aid and credit payment as a percentage of the Pay 2008 levy-aid base
