

CARES Town Aid Distribution

June 30, 2020

Run: twCAREsaid

Summary

The attached run shows the distribution of \$23,786,162 in direct CARES Act aid to towns in Pay 2020 under the governor's orders. The distribution is based on the legislative compromise contained in SF 47 during the 2020 1st special session. This is part of the approximately \$841.5 million of state CARES money that will be distributed to counties, cities, and towns.

- Aid to towns with a population of 5,000 or more is the same as per capita aid distributions to cities and is approximately \$75.34 per capita.
- Aid to towns with a population of 200 or more but less than 5,000 is equal to \$25 per capita.
- A town with a population less than 200 receives zero direct aid, but may apply to the county in which it is located for reimbursement for documented covid related costs up to the lesser of \$25 per capita or the documented spending amount. The county has discretion to make payments to towns above this minimum required amount.

The printout shows the amount each town may receive, upon successful application to the Minnesota Department of Revenue, on a county by county basis.
