

## **Reports Mandated by the 2012 Legislature**

Each year the Minnesota Legislature mandates a variety of reports to be done by state agencies or other governmental entities. In 2012, the legislature mandated 93 reports. This information brief lists reports that were directed to be done for the first time by the 2012 Legislature. This list includes only reports that must be submitted to the legislature. The reports are listed alphabetically by topic, and within each topic, by order of enactment.
